Report of Principal and School Improvement Council

"Year Three" was full of accomplishments for the Panther Family. Our community agreement for the 2011-2012 school year was, "At PKES, we are T.E.A.M. Players!" Students, teachers, and parents focused on demonstrating the leadership skills of teamwork, empathy, awesome attitude, and making good decisions. This focus set the tone for a positive and productive learning environment for all of our community members both in and outside of our Panther Family. In order for us to fulfill our vision of developing and supporting a sense of T.E.A.M within each child, we recognized positive behavior through Student of the Month and Blue Wall of Fame recognitions. Additionally, T.E.A.M. behaviors were promoted through guidance lessons, morning meetings, and a boys' mentoring group. During the school year we were recognized for excellence in a number of areas. We received an absolute performance rating of Excellent and a growth rating of Excellent on our second state report card. For that reason, we earned the Palmetto Gold Award for our PASS performance, which is the highest academic honor recognized by the State Department of Education. Our school also maintained excellence within the classroom. We met all AYP objectives and received the "All Clear" status from the State Department of Education as a result of maintaining highly qualified teachers in each classroom. Our students, faculty, and parents have continued on their path towards being leaders in our building. Our fifth grade students participated in a variety of leadership academies that focused on developing students in areas beyond academics. In addition, students had opportunities to participate in faculty-led clubs that continued to foster a sense of community within our school environment. These clubs included art, safety patrol, dance, chorus, news crew, newspaper, recycling, and writing. The faculty at PKES continues to demonstrate leadership by implementing dynamic curriculum through differentiated instruction and innovative programs, including Daily Five and Response to Intervention. In addition to the duties in and out of the classroom, our teachers participated in community service projects such as Susan G. Komen Race for the Cure and Ronald McDonald House. Our diligent PTO continued to be an instrumental part of our school community. This year they fulfilled numerous classroom, related arts, and grade level supply requests. They also funded our summer intervention program and worked to enhance our school's exterior environment, in part with funding from a Lowe's Home Improvement Grant. With the lasting support of our PTO, School Improvement Council, and parent volunteers, we are looking forward to a successful "Year Four" at Pleasant Knoll Elementary.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
